

Website Packages & Pricing

Clear, transparent pricing — tailored to your business goals.

💡 Basic

Perfect for landing pages or personal sites. Clean, responsive, and fast.

Starting from \$700

Includes:

- 1–3 pages
- Mobile optimization
- Basic animations
- SEO setup
- Hosting setup assistance

⚙️ Standard

Ideal for small businesses or startups that need a few pages and CMS.

Starting from \$1,200

Includes everything from Basic, plus:

- 4–10 pages
- CMS integration (blog, projects...)
- Custom animations
- Contact form setup
- 3rd-party integrations (Zapier, ConvertKit, MailChimp...)
- Performance optimization

🚀 Premium

Most popular choice for brands that want it all — style, function, and flexibility.

Starting from \$2,500

Includes everything from Basic and Standard, plus:

- 10+ pages
- Full CMS system
- Advanced animations/interactions
- Backend integrations (Xano, Wized..)
- Post-launch support & guidance

Not sure which package fits your project? Let's talk — I'll help you choose the right setup.
